## SAVIC QUICKSTART-CPG

Based on SAP S/4HANA® Cloud Private Edition, SAVIC QUICKSTART CPG is a ready-to-deploy solution, tailor-made for the Consumer Packaged Goods (CPG) industry. Our solution empowers the CPG industry with innovation and the ability to adapt rapidly, ensuring continuous re-branding to cash in on dynamic market opportunities. SAVIC QUICKSTART CPG provides a robust digital platform that connects R & D with SAP® Next Practices, leveraging intelligent technology such as IOT, AI, ML and analytics to meet the demands of the CPG industry and stay ahead in the market. Take the lead from business insights delivered by our own SAVIC experts when addressing the constantly evolving business challenges facing the CPG industry.

# SAVIC QUICKSTART CPG OFFERINGS

Financial Accounting

Procure-to-Pay & Inventory

Orders to Cash Distribution

Production Planning

SAP SuccessFactors®  
(Employee Central)

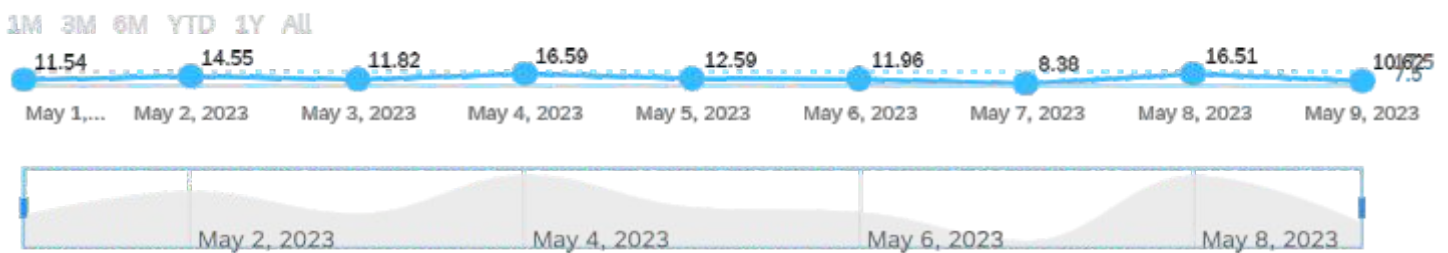

## ADDITIONAL OFFERING

### SAP® Analytics Cloud (CXO Dashboard)

The CXO Dashboard utilizes real-time data from the ERP system, employing a graphical interface to facilitate fact-based decision-making. It enables C-level executives to leverage interactive, high-level metrics derived from various organizational domains such as sales, marketing, and finance, empowering them to make informed, data-driven decisions.
